KRAFTWERK K9

# SIRE
# Isco vom Sulzachgrund
*AD, BH, IGP1, IGP2, IGP3, FH, KKL*

The most highly rated German Shepherd in America! Rated excellent in looks and is the only dog known today to score 100 in Tracking, 100 in Obedience, and 100 in Protection for a perfect score of 300 points in performance competition! Previous IPG scores are also excellent: 287, 288, and 296 points! Scored an unbelievable 100 points in master level FH tracking trial. He has also been tested and documented to be certified superior in every health test known. Combining great looks with superior temperament and functionality. Shows naturally genetic driven desire to bond to his handler with unbreakable eye contact. Large, powerfully built steel grey color with broad strong head, heavy bone strength, along with correct proportions. Sound and sure temperament, unshakable in every situation. Sure in every way, impossible to find fault, always full of self-confidence with nerves of steel. Shows impeccable manners no matter where he is. True working character with great desire to perform. Highly ranked from all judges awarding special breed worthiness comments. Original German Breed Report: Very energetic (sehr energischer), (fuhringer) very noticeably easy to handle. Strong head (kraftiger kopf), dark eyes (dunklen augen). Good withers, straight firm back, good lay, and length of croup. Front good, rear angulation very good. Especially deep chested, straight front with ground covering gait and unusually pronounced ability to jump over physical hurdles. Shows very secure temperament along with pronounced working abilities. Recommended for the improvement of all performance qualities. Highly dedicated to the handler, demonstrating natural guidability along with correct execution of the obedience exercises. Drive for the ball is exactly what it should be, will never touch it unless the handler says he can. Fantastic in protection, comes like a torpedo in every attack but always follows every command the handler gives without hesitation. Shows exactly what every judge wants to see. Full power under full control. Will always do whatever his handler asks anywhere, anytime, or any place. Comes from a long line of top performing BSP and WUSV competitors. Father is Nash von Kretzschauer Land IP3 and mother is Easy von Sulzachgrund.

# DAM:

# KIRRI MONUR

*BH, IGP1*

**Kirri is a striking sable with exceptional structure and a composed, confident temperament. She has an athletic, performance-driven build and a focused, alert expression that showcases her sharp attention to detail. With a solid nerve base and a strong, unwavering demeanor, Kirri excels in any environment. Her remarkable trainability is matched by an outstanding work ethic—Kirri responds to every command with enthusiasm, precision, and dedication. A true joy to work with, she is always eager to perform and fully committed to her tasks. Her retrieving instinct is strong; she pursues the ball with determination and drive, displaying a true love for the work. In protection work, Kirri's natural guarding instincts are just as pronounced, combining energetic, assertive barking with powerful, full grips during sleeve work. Her pedigree is well-regarded for producing top Schutzhund dogs, known for their strong character and steady nerve base. Her sire, Jordan von Der Planwarte, and her dam, Izie Monur, both come from lines that consistently produce outstanding working dogs. Hips and elbows are certified.**
