

Mother
SG-Eila vom Kaiserhaus

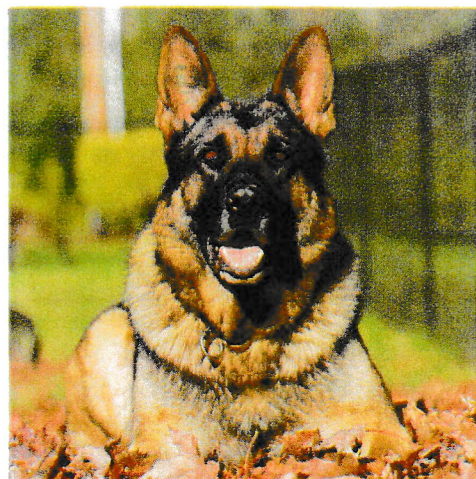

AD, BH, IPO1

Large black and tan with powerful head and outstanding expression. Especially well-developed with great proportions and strong bones. The breed survey states she has impressive temperament qualities along with excellent protection drive. Great trainability and has the genetic capability to learn quickly. Wonderful behavior inside the home as well as with children. Superior bonding capability with the handler and naturally guideable, follows the obedience commands without hesitation. Retrieving instinct pronounced and loves to play with a ball. In protection work barking is consistent and strikes hard and fast to the sleeve. Pedigree is from consistent top performing schutzhund dogs from both East and West Germany. Hips and elbows certified A1.

Bob Lucaty
BH, IGP3, FH1, KKL

Very large with a head like a lion! Especially pronounced alert expression along with the ability to make correct judgement in every situation. Huge shoulders and chest with a muscular and strong body type built for performance. Self-confident, social, and trustworthy temperament. Masterful working ability with high level accomplishments. In his IGP 2 trial, he scored the perfect rating of 100 in Tracking, 97 in Obedience, and 97 in Protection for a total score of 294. Advancing to IGP3, he scored 96 in Tracking, 91 in Obedience, and 97 in Protection for a total score of 284. Shows his capacity to solve problems and concentrate with calm and methodical deep tracking technique by scoring 97 points in the FH1 tracking competition. Highly dedicated to the handler, demonstrating natural guidability along with correct execution of the obedience exercises. Very loyal and desires to be at the handler's side regardless of location. Loves car rides as well as being inside the house. In protection work, his barking is strong and consistent showing great intensity in the hold and bark exercise. Full commitment at all times, demonstrating full and hard grips on the sleeve. Out behavior is clean and crisp with tremendous guarding. Top performance bloodlines known for sound temperament and rock-solid constitution. Hips and elbows certified a1.
